

I'm disabled. What kind of help can I get from your Association?

- First of all, you can get any kind of information, how to solve problems for disabled people.
- Also, our Association provides a variety of services to improve the daily life of people with disabilities, which may be partially or fully funded by the association or the authorities.
- Association maintains relations not only with the authorities, but also with private economic sector. For this reason, variety of services and support is growing.
